CLE: Straight Talk on COVID Vaccinations: What Clients Need to Know

March 4, 2021

Seigfreid Bingham presented a CLE webinar with the Kansas City Metropolitan Bar Association, “Straight Talk on COVID Vaccinations: What Clients Need to Know.”

Shareholders **Shannon Cohorst Johnson** and **John A. Vering** presented the webinar, both practice in the firm’s Employment and Litigation sections.

The webinar addressed how employers and attorneys should navigate this rapidly changing topic. As our community gets closer to widespread vaccine availability, attorneys may face questions from and situations with their clients that are unfamiliar and unprecedented in their workplace regarding COVID vaccines.

Slides from this presentation are available here. Please note, this information is rapidly changing. Stay tuned to http://www.sb-kc.com/covid-19/ for updates.
