cstone@sb-kc.com

Colby Stone joined the firm in 2024 as an Associate in the corporate law practice group. He focuses his practice on real estate transactions, estate planning, data and tech, healthcare, sports and entertainment, and other general corporate matters.

Having a business background from working in consulting before law school and attending business school for his undergraduate degree, Colby has practical knowledge in the business world, which he has applied to his legal practice.

Colby enjoys helping clients with complex issues. He uses his strong communication skills, responsiveness, friendly nature, problem-solving skills, and service mentality to achieve the best possible outcomes.

Colby received his Juris Doctor from the University of Missouri – Kansas City School of Law. In his free time, he enjoys playing golf, running, cycling, and spending time with his friends and family. Above all, he is a proud husband and girl dad.
