2022 American Royal Party Hosted by Seigfreid Bingham, BRES, and the Kansas City Chiefs

Seigfreid Bingham recently hosted clients during our VIP party at the American Royal World Series of Barbecue event. The firm was thrilled to partner with Block Real Estate Services, LLC (BRES) and the Kansas City Chiefs again this year.

The American Royal Barbeque is a signature event in Kansas City, Kansas, and the firm frequently participates in it. The barbeque contest is the largest in the world, and the event supports youth and education in agriculture.

Several of our firm's attorneys attended the party and had a great time networking with guests. The barbeque dinner cooked by attorneys Tim Davis and Greg Gerstner, catered side dishes, desserts, drinks, and entertainment, made our party a welcoming and fun time for all.
