2024 American Royal BBQ Party Hosted by Seigfreid Bingham and Block Real Estate Services

Seigfreid Bingham recently hosted clients during our VIP party at the 2024 American Royal World Series of Barbecue. The firm was pleased to have Block Real Estate Services, LLC, as our event partner.

The American Royal Barbeque is a signature event in Kansas City, Kansas, one the firm often participates in. The barbeque contest is the largest in the world and supports youth and education in agriculture.

This year, Seigfreid Bingham commemorated its 50th anniversary at the American Royal. Founded on June 1, 1974, by attorneys Bill Burrell, Jim Seigfreid, and Larry Bingham, who wanted to form their law firm based on a philosophy focused on relationships and respect, Seigfreid Bingham quickly established a reputation for providing top-tier legal services across a wide range of practice areas and for having a culture that focuses on relationships with other attorneys, relationships with clients, and caring about the community. Today, the firm still upholds these values while continuing to grow and evolve and adapting to the changing needs of its clients and the legal landscape. We also prioritize client appreciation initiatives, such as hosting our premier American Royal BBQ VIP party.

At the party, guests enjoyed barbeque meat prepared by attorneys Tim Davis and Greg Gerstner and their cooking team, catered side dishes and desserts, drinks, and entertainment (including a commemorative 50th anniversary slideshow, a photo booth, fire pit, and networking, among others). Additionally, attorneys John Fuchs and Mirjana Gacanich played a significant role in the event operations/planning efforts (alongside the firm's Marketing Manager).

As we reflect on an enjoyable event, we are grateful for the opportunity to celebrate the firm's 50th anniversary with our clients and the Seigfreid Bingham team.
