35th Annual Starlight Benefit Gala

Seigfreid Bingham was pleased to recently sponsor the 35th Annual Starlight Benefit Gala, a fundraising event celebrating the arts in the community.

Attorneys Heather Jones, Steve Kyle, Dan McClain, and Neil Sprague attended the event, where they networked with several local, civic, and corporate leaders and enjoyed dinner and entertainment.

The goal of the gala was to raise funds for community engagement programming, including performing arts scholarships, training, and free interactive theatre programs; world-class entertainment, including mainstage productions and concerts; and the upkeep of Starlight Theatre, a historic cultural landmark. The 2022 event raised over $615,000.
