Jordan May Elected President and Ben Wietharn Appointed Board Member of LAKC-YLS

Seigfreid Bingham continues its long tradition of serving on the Young Lawyers Section (YLS) of the Lawyers Association of Kansas City (LAKC) board. Jordan May was appointed the President of the YLS Board for the 2024-2025 term, and Ben Wietharn was selected to the Board for a two-year term through 2026.

In this leadership role, Jordan and Ben will collaborate with the organization and other Board Members to uphold the LAKC's vision of working to "support and build a diverse legal community in the Kansas City metropolitan area" and support the YLS initiatives of public service projects and networking opportunities for young lawyers.

Recently Ben was instrumental in organizing and running the YLS's Annual Skippy & Skivvies Drive to benefit Operation Breakthrough. In the coming months, Ben and Jordan will work with the LAKC-YLS to host Santa's Snowball event and the Missouri High School Mock Trial Tournament.
