KCMBA’s 51st Annual Bench-Bar and Boardroom Conference – Sponsorship

Seigfreid Bingham was pleased to be a sponsor of the Kansas City Metropolitan Bar Association’s (KCMBA) 51st Annual Bench-Bar and Boardroom Conference. The meeting occurred in early May 2024 at a Lake of the Ozarks (Missouri) resort.

Attorneys René Calabrese, Brenda Hamilton, and John Vering attended the conference, which brought together those from the legal and business community for educational sessions, networking opportunities, and many insightful discussions.

The firm is committed to supporting the legal community and business development initiatives, as several of our firm attorneys are actively involved in the KCMBA (Brenda is on the Board and Finance and Investment Committee; René is on the Real Estate Law Committee – Section Chair; and John is the former Chair of the Federal Courts and Labor and Employment Sections) and many other organizations.
