Kenzie Clark Appointed Board Member of LAKC-YLS

Seigfreid Bingham continues its long tradition of serving on the Young Lawyers Section (YLS) of the Lawyers Association of Kansas City (LAKC) board.

Attorney Kenzie Clark was recently selected as a board member for a two-year term through 2027. In this leadership role, Kenzie will collaborate with the organization and other Board Members to uphold the LAKC's vision of working to "support and build a diverse legal community in the Kansas City metropolitan area" and support the YLS initiatives of public service projects and networking opportunities for young lawyers.

Currently, Kenzie is playing a significant role in organizing and running the YLS's Annual Skippy & Skivvies Drive to benefit Operation Breakthrough. In the coming months, Kenzie will work with the LAKC-YLS to host Santa's Snowball event, the Missouri High School Mock Trial Tournament, and other networking events.

The firm is currently a sponsor of LAKC programs and events throughout the year and has had several other attorneys serve in past leadership roles.
