Law Firm Alliance Earns Top Chambers Global Guide 2026 Ranking as Leading Law Firm Network

As a proud member of the Law Firm Alliance (LFA), Seigfreid Bingham is pleased to announce that the LFA received a Leading Law Firm Network ranking in *Chambers' Global Guide 2026*.

The LFA is a leading global network of full-service law firms that provides clients of member firms with access to high-quality, cost-effective legal services in jurisdictions worldwide.

According to *Chambers*, "Law Firm Alliance's unique selling points include its ability to offer clients the global reach of a large firm while maintaining the personalized service, efficiency, and cultural alignment of mid-sized practices," with nearly half of its member firms listed as leading law firms and lawyers in their respective jurisdictions.

"Being recognized by *Chambers* as one of the world's premier legal networks is a tremendous honor," said Loren Mallett, Chair of the LFA, and a partner at Alexander Holburn Beaudin & Lang LLP in Vancouver. "We're committed to expanding our reach and continuing to deliver seamless, top-tier service worldwide through our network of independent member firms."

Chambers have ranked the best law firms and lawyers since 1990, covering 200 jurisdictions worldwide. Inclusion is based solely on extensive, confidential interviews with thousands of lawyers and clients to identify the leading law firms and lawyers worldwide. Law firms and individual lawyers are ranked based on their technical legal ability, professional conduct, client service, commercial astuteness, diligence, and commitment. Attorneys, law firms, and legal networks are ranked in bands from 1 to 6, with 1 being the highest.
