Lori Beam Earns Recognition on MLM Health Care Law POWER List

Seigfreid Bingham attorney Lori Beam has been named to the *Missouri Lawyers Media* (MLM) Health Care Law POWER list for 2025.

The Health Care Law POWER list highlights “the most powerful attorneys in health care law.” Lori is one of only 11 attorneys on the Health Care POWER list in the Kansas City Metropolitan area.

The MLM editorial team compiles the list through a comprehensive process, which involves reviewing state records, cases, and databases, conducting interviews within the legal community, and evaluating career achievements and leadership credentials.

At Seigfreid Bingham, Lori is Chair of the firm’s Health Care Group. She has been serving clients for over 35 years, helping hospitals, physicians, and other providers with a broad range of transactions, contracts, and issues. Lori’s knowledge of constantly evolving health laws, her ability to successfully navigate the legal landscape, and her practical problem-solving helps her clients achieve their goals.
