Lori Beam named Baron of the Boardroom

April 27, 2021

Lori Beam, shareholder, has been honored by the Kansas City Metropolitan Bar Association as a 2021 Baron of the Boardroom. This award, based on peer nomination, is presented at the annual Benchbar and Boardroom Conference to attorneys who have substantial and distinguished career representing clients in corporate/business matters. The awards ceremony will take place at a virtual event on May 15, 2021.

Beam has more than 30 years of experience in assisting businesses with their professional needs, including in areas such as health care law, advertising, marketing & promotion law, mergers & acquisitions, contract law, and other general business law. She was recognized by Best Lawyers in 2021 for her work in health care law, and chairs Seigfreid Bingham's Health Care Law industry practice.

Read more about Lori Beam and her practice in this feature written by Mark Thompson, past chair of Seigfreid Bingham's Health Care practice. This article was published in the May issue of KC Counselor.
