Mark Thompson Featured on MLM POWER List

Seigfreid Bingham attorney Mark Thompson was included on the 2023 *Missouri Lawyers Media* (MLM) POWER List for Health Care Law.

The Health Care Law POWER list "examines the state's most powerful attorneys in health care law," recognizing litigators that represent hospitals, clinics, and other health care entities on regulatory compliance, malpractice claims, and other medical matters.

The MLM editorial team generates the list using a thorough selection process, which includes analyzing state records, cases, and databases; interviewing respected attorneys and leaders; and examining career accomplishments and leadership experience.

In his legal practice, Mark represents health care providers on matters involving the Affordable Care Act, changing Payor initiatives based upon the Triple Aim, expanding federal and state regulations, and dynamic changes in the health care marketplace, among others.
