Seigfreid Bingham Attorneys Support Local Arts Community at Heart of America Shakespeare Festival Gala

Seigfreid Bingham attorneys Lori Beam, Milos Jekic, Steve Kyle, Dan McClain, and Katie Zogleman recently attended the 2026 Romantic Revels Gala, an annual celebration benefiting the Heart of America Shakespeare Festival's 34th Season.

The gala raised essential funds for the Heart of America Shakespeare Festival's free summer Shakespeare productions and its year?round educational programming. This year's event honored the McMeel Family as 2026 Founders Award recipients, and our attorneys were pleased to be in attendance to also support our client, Andrews McMeel Universal.

In addition to attending the gala, Dan serves on the Heart of America Shakespeare Festival's Board of Directors, where he helps advance the organization's mission and its impact on arts accessibility throughout Kansas City.
