Seigfreid Bingham Continues Its Support of Starlight Theatre

Seigfreid Bingham was pleased to recently sponsor the 38th Annual Starlight Gala at the Director level, reaffirming its commitment to supporting the Kansas City arts community.

As the official Red-Carpet Sponsor of this year's Gala, Seigfreid Bingham helped set the stage for an evening celebrating Starlight Theatre's history, positive impact on the community, and its exciting future. Attorneys Steve Kyle, Neil Sprague, and Chris Tillery, along with their spouses, attended the event, which included the red-carpet reception (sponsored by Seigfreid Bingham), dinner, a program, and an after-party celebration. Funds raised at the event help make Starlight's mission possible.

Additionally, attorney Heather Jones is a member of the Starlight Board of Directors and continues to play an active role in guiding the organization's future and strengthening its ties to the community.
