Seigfreid Bingham Continues to Support LAKC

Seigfreid Bingham is pleased to continue to support the Lawyers Association of Kansas City (LAKC) through a firm membership and various sponsorships. The firm sponsored the LAKC–Young Lawyers Section (YLS) Annual Luncheon and the Mock Trial Competition hosted by LAKC-YLS earlier this year.

Attorneys Katie Conklin, Hank Driskell, Mirjana Gacanich, Jordan May (LAKC-YLS Board Member and Incoming President), Ben Wietharn, and our Summer Associates attended the luncheon networking event, which took place on July 11, 2024, in Kansas City. Attorney Cody Weyhofen was also the LAKC-YLS Public Service Officer for 2023-2024.

At Seigfreid Bingham, our attorneys not only focus on providing high-quality legal services but also prioritize relationships: relationships with other attorneys, relationships with clients, and relationships with the community, often attending networking events and seeking involvement in legal, business, and community organizations.
