
Seigfreid Bingham Continues to Support Starlight Theatre

Seigfreid Bingham was pleased to recently sponsor Starlight Theatre's 36th Annual Benefit Gala, a fundraising event supporting education and community engagement programs, Broadway productions, concerts, and the venue. The event raised over \$650,000.

Attorneys Lori Beam, John Fuchs, Heather Jones, Steve Kyle, and Fritz Riesmeyer attended the gala, having the opportunity to celebrate the arts, network, and enjoy dinner and entertainment.

The event was titled "ENCORE!" – as there were 22 performing artists who are Vincent Legacy Scholars or from previous Starlight shows that provided guests with "encore" performances. Starlight's new capital campaign, "Uniquely KC," was also announced during the event programming.
