
Seigfreid Bingham Hosts Student Law Academy Scholars Through KCMBF Job Shadow Program

Seigfreid Bingham recently welcomed four college students through the Kansas City Metropolitan Bar Foundation's (KCMBF) Student Law Academy (SLA) 2026 Job Shadow Program, which provides students with hands-on exposure to the legal profession through placements with law firms, courts, and government agencies.

Led internally by attorney [Rachel Sterbenz](#), the firm's participation allowed scholars to connect with attorneys and professional staff across multiple practice areas, gain insight into legal careers, and further develop their mock-trial preparation. Beyond their educational experiences at the firm, the scholars enjoyed a welcome reception featuring lemonade and cookies, several group lunches, and a day at a Kansas City Royals game.

Seigfreid Bingham is pleased to support programs that introduce students to the legal profession and help develop the next generation of legal leaders.
