# Seigfreid Bingham Supports Helzberg Helps Through Event Sponsorship

Seigfreid Bingham was pleased to support the local community through a sponsorship at the 21st Annual Helzberg Helps Golf Tournament. Helzberg Helps is a nonprofit organization run by our client, Helzberg Diamonds.

Attorney Lori Beam participated in the event, which benefitted local charities that help children, including Make-A-Wish Kansas and Missouri, Big Brothers Big Sisters of Greater Kansas City, Braden's Hope, and Operation Breakthrough.
