Seigfreid Bingham Supports National WWI Museum’s Fundraiser Event

Seigfreid Bingham was proud to serve as a sponsor of the Night at the Tower event, a recent fundraiser hosted by the National WWI Museum and Memorial in Kansas City.

The Night at the Tower brought together community leaders and supporters to celebrate the Museum’s mission and raise funds for its educational programs and preservation efforts.

This year’s event featured an evening of immersive experiences, live entertainment, and a powerful tribute to the legacy of those who served in World War I. Attorneys Steve Kyle, Seth Snyder, and Heather Jones attended the event.
