Seigfreid Bingham Volunteers at NourishKC

A group of our attorneys recently volunteered at NourishKC and served more than 250 dine-in and to-go meals to the Kansas City community.

NourishKC is an organization that provides nutritious and fresh meals to anyone in need. Their goal is to change lives, address the core causes of hunger, and work toward equal food access.

Our attorneys had a great time supporting the community during their time with NourishKC.
