
Tim Davis Named Presenter for Upcoming Featured Pros LIVE Webinar

Seigfreid Bingham attorney [Tim Davis](#) will be the featured guest on Featured Pros LIVE on July 14, 2026 (at 12:00pm CT), discussing how litigation technology can help attorneys and legal teams manage complex cases more efficiently.

During the webinar, Tim will share how he uses legal technology tools to organize and analyze medical records, manage deposition testimony, streamline video deposition workflows, and prepare cases for trial, including workers' compensation defense cases. He will also discuss the importance of firm-wide technology adoption and how litigation technology can become a strategic advantage for law firms.

Attendees will gain practical, real-world insights into improving efficiency and organization across their litigation practices.
